As authorized and encouraged under 37 CFR §§ 1.97-1.98 and the provisions of MPEP §§ 609 and 707.05 (b), Applicant(s) re-submits herewith certain patent references, publications and/or other information which the Patent and Trademark Office may wish to consider in examining the above-identified patent application. In accordance with a telephone call from the PTO, the undersigned was made aware that while the PTO 1449 originally submitted had the correct serial number, the original IDS contained a typo in the serial number. Therefore, the IDS is being re-submitted in a timely manner following the undersigned being informed of the error. The references and information are listed below and on attached form PTO-1449.
